The amount of the Credit Bid is \$1,000, with the understanding that if First Columbine takes title to the Property, less the excluded lots, First Columbine waives any deficiency claim against the Debtors' estates, except to the extent of any claims that First Columbine may have to the Excluded Assets. The sale to First Columbine by Credit Bid shall be

free and clear of the liens identified in paragraph 6 herein, except that the Court shall retain jurisdiction to determine whether the Credit Bid sale shall be free and clear of the liens identified in paragraph 6.c. and 6.k. First Columbine shall have the right to object to the extent, validity or priority of any alleged lien or claim, including those identified in paragraph 6.c. and 6.k. Should the Agreement with the Buyer fail to close, the Chapter 7 Trustee is authorized to close the Credit Bid sale to First Columbine without further order of the Court.

12. This Court shall retain jurisdiction (a) to interpret and enforce the provisions of the Agreement and the documents executed pursuant thereto; and (b) to interpret and enforce the provisions of this Order.

13. Pursuant to Bankruptcy Rule 6004(g), the Court expressly directs that this Order will be effective on entry of the Order and shall not be stayed for ten days.

14. The Debtors shall not be liable for, and no portion of the purchase price shall be disbursed for any brokerage commission with respect to the sale of the Property.

15. Notice given by the Chapter 7 Trustee of the Motion and the hearing thereon complied with the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules of this Court.

16. The Objection to the sale filed by Grenelefe Club Estates, Inc. is overruled without prejudice to Grenelefe Club Estates, Inc. filing an adversary proceeding to assert a secured claim against the Excess Proceeds as provided in paragraph 8 herein.

17. Counsel for the Trustee is directed to immediately serve a copy of this Order upon the service list identified below and to promptly file a certificate of service reflecting such service.
